**Part 5 – Acknowledgments and Signature**

This application is to be used for the purpose of verifying sewer and conveyance capacity availability prior to issuance of plumbing and/or building permit for connection to public sewer. All applicable fees must be paid prior to issuance of permit to connect to public sewer. Building permit sewage capacity certification will be issued in conjunction with the plumbing/building permit. Sewer rental charges will commence upon inspection and certification of the plumbing connection to the public sewer. By submitting this application, applicant agrees to allow exterior site access for inspection of permitted work until final inspection passes, if applicable. If signed by someone other than the property owner, this work has been authorized by the owner on record and said person has been authorized by the owner to complete this application on their behalf. A signed service contract may be submitted in lieu of property owner signature here.
